Backline	Metropool does not provide a standard backline (except if agreed on in booking agreement, then we will rent one). Note: Because of the small format of the stage "Het Paradijs", we advise bands to play on ONE drum kit. Simply because there is no space for 2 drum kits and changing sets takes a lot of time. When artist and/or artist's crew smokes in our building and causes the fire alarm to go off, the artist will not receive payment/fee.
